Welcome to Authorama.com, featuring completely free books from a variety of different authors, collected here for you to read online or offline. The books may have been published before, but not in this form, which I hope you find enjoyable to read and print. Feedback is welcome – enjoy the reading.

> "The site was something I would never have thought to look for but as I've seen it now it has been a wee surprise. I work offshore on a pipe-laying vessel and spend six weeks at a time at sea, now I have a little library of works to read that I print off and use in my off shift.
> The other guys on-board are using it too and it's thanks to yourself we've got some interesting reading."
> – *Brian McGuire*
